

FINISHING UP—Boys in the Hamlin Coordinated Vocational-Academic Education Class are finishing up work on the new administration offices in the old band hall. The class of 24 boys, under the direction of Ronald Carter, have put in about 135 hours on the carpenter work. Two crews work two periods a day on the project and have done all of the framing, lowered the ceiling, put up the wallboard and paneling for the 1400-square-foot office building. NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The Hamlin Schools have entered into a program that could have great impact on the daily lives of all local citizens if it is carried out to its ultimate goal. The program is called community education, but it goes far beyond what we normally think of when we think of education.

The program, which is a pilot program for the state, would make the local school facilities the focal point for a great many community activities. The goal of the program is to offer community recreation, education and arts and crafts to all citizens of the community.

It is the intent of the people working on the program to make the school facilities available year round to all of the citizens of the community. It is the feeling of these people that the communities have too much invested in their school facilities to use them only during the regular school hours. Mrs. Warren Sharp has been named by Superintendent Bob Hawes to head the program here and she has attended several state meetings in preparation for launching the program here.

In this issue of the Herald, as well as many other places, a survey form is available for you to select programs that you would be interested in. Remember, most of the programs are for your personal pleasure and are not confined to technical or vocational education.

It is the desire of those working on this project to meet the needs of the community and the only way this can be done is for you to indicate your interests. A long list of suggested topics or programs are listed on the survey form, but there is also a place for you to list any other subjects that you would be interested in.

The program can only be a success if the people of Hamlin take part. So please take the time to fill out the questionnaire and return it as soon as possible.

Most of us already recognize that a small town is the best place to live and the above project is just an effort to make it even better. And speaking of small towns, Jim Cornish, writing in the Post Dispatch, had the following comments about small towns:

A small town is the only place to grow up, and to grow old. It is full of laughter and understanding. The sick are helped with prayers, and food and love brought in.

"The post office is just a couple of minutes down the street. When it's lunch time one goes home to eat

To Host Stamford Friday—

Pipers Share First Half With Coahoma

The Pipers took an easy 75-60 win over the Colorado City Wolves Tuesday night to hold on to their share of the first round title in District 6-AA. The Pipers and the Coahoma Bulldogs ended the first half tied with identical 5-1 records.

The local girls defeated the Colorado City girls, 46-34, to finish the first half in third place behind Coahoma and Anson.

Second round play will start Friday with the local teams hosting Stamford. They will travel to Ballinger on Tuesday.

The Pipers outscored the Wolves 20-8 in the first quarter, 20-9 in the second quarter and 20-12 in the third before Coach Tom Dechario

cleaned out his bench. Colorado City outscored the Pipers in the final period, 31-15.

Three Pipers scored in double figures with Delbert Thompson hitting 21, Gerald Rodgers 18 and Charles Brown 16. Adding to the point total were Alan Steele with 6, Daniel Willis with 5, Stanley Jones with 3, and Rick Craig, Steve Williams and Paul Reynolds with 2 each.

The local girls jumped out to an early lead by outscoring Colorado City 14-2 in the first period to take their final first round game, 46-34. Elizabeth Hooper with high with 28 points. She was followed by Stacy Bell with 10 and Starlet Covington with 8.

Colorado City won the JV game, 66-29.

United Way Directors Adopt Budget, By-laws

A revised budget for the Hamlin United Way was adopted by the board of directors in a meeting here Thursday evening. The board also adopted by-laws for the organization formed here last fall.

The new budget, recommended to the board by the executive committee, reflected the increase in

pledges over the goal set earlier by the board. The board made several major increases in the budget, added two new agencies and increased the balance of the agencies by 10 percent.

Receiving major increases were the Hamlin Stock Show from \$500 to \$700, the summer recreational program from \$300 to \$800, and office expense from \$300 to \$600. New agencies projected into the budget include \$1200 for senior citizen programs and \$500 for the fall Cystic Fibrosis campaign.

The board will meet again

Physical Fitness Program for Men Starts Tonight

A physical fitness program for men will be started tonight (Thursday) at 7 o'clock in the high school practice gym, according to Mrs. Warren Sharp, coordinator of the new Community Education Program.

The class being organized will be under the direction of Coach David Bonds and his staff.

The fee will be \$4.50 per month (this equals 50 cents per contact hour). Classes will be held from 7 to 9 p.m. on Mondays and Thursdays.

All men interested are asked to report to the southwest corner of the high school building by 7 p.m. today (Thursday).

Hospital District Calls Election

The Hamlin Hospital District Board of Directors set the date for the election of three directors for Tuesday, Apr. 6, at their regular monthly meeting here Tuesday.

The two year terms of Joe Hudspeth, Bill Harbert and John C. Bryant expire this year.

The election will be held at the Hamlin city hall building.

With Bicentennial Theme—

Tickets On Sale For Annual BCD Banquet

Tickets are now on sale for the Annual Banquet of the Hamlin Board of Community Development, according to Peggy Bonds, executive secretary. The banquet will follow the Bicentennial Festival theme.

Tickets for the banquet are available from the directors, at the BCD office and at several business locations. Tickets are \$4.00. The banquet will be in the high school cafeteria and will begin at 7 p.m., Thursday, Jan. 29.

Speaker for the occasion will be Mrs. Clyde Angel of Big Spring. She will speak on "Come To The Birthday Party For A Loveable America," a look at the past, present and future.

Highlights of the program include the presentation of the annual Citizens of the Year award and the presentation of the Texas and National Bicentennial Community certificates by Joe Hodges of Abilene. Hodges is State Representative of the American Revolution Bicentennial Commission of Texas.

Entertainment for the banquet will be presented by the Sound of Celebration Choir of the First Baptist Church. The choir is under the direction of Lynn Mink. Rev. James W. Smith, minister of the First United Methodist Church will serve as master of ceremonies.

Pat Willoughby, outgoing president, will give a report of the past year's activities of the BCD and introduce the new officers and directors.

Bob Hawes, superintendent of the Hamlin Schools, will present the Citizens of the Year award to the man and woman selected by a committee for their outstanding

contribution to Hamlin during the past year.

Table decorations will follow the Bicentennial theme and will be by the following clubs and organizations: Hamlin Child Care Center, Art Club, Garden Club, Xi Gamma Pi, Beta Theta, Future Homemakers, Future Farmers, Young Home-

makers, Woman's Literary Club, Woman's Forum, Lions Club and American Association of Retired People.

Mrs. Angel was a resident of Hamlin for five years when she lived with her aunt, Mrs. J. W. Ezell. She was named Woman of the Year for Big

Spring and Howard County in 1955 and has served as president of several Big Spring clubs and organizations. She also has been active in the First Baptist Church of Big Spring. She reviews 30 to 40 books a year and is serving as speaker for Chamber of Commerce for Bicentennial Programs.

Pat Willoughby Named To Place On City Council

Pat Willoughby, manager of Joe Hudspeth's, was named to fill the unexpired term of A. E. "Buddy" Killion on the Hamlin City Council Monday evening. He was named by the council at its regular monthly meeting.

Willoughby's term will run until April of 1977. Killion resigned from the Council at the December meeting after moving outside the city limits

McCaulley I.S.D.

Renews Contract Of Superintendent

The trustees of McCaulley Independent School District renewed the contract of Superintendent Edd R. Farmer at the January monthly board meeting.

Farmer, a graduate of Clyde High School and McMurry College, has served in the Texas Public Schools of Clyde, Hamlin, Andrews and Jim Ned.

Mr. and Mrs. Farmer have three children, Eddie, a senior at Stephen F. Austin University; Vivian, a freshman at South Plains Junior College and Julie, a McCaulley first grader.

ADULT EDUCATION

Adult education classes are being held at the high school each Monday and Thursday evening from 7 to 9. These bilingual classes are to prepare persons for the GED tests (high school equivalent).

All interested persons are urged to enroll.

and was no longer eligible to serve. Willoughby is currently serving as president of the Hamlin Board of Community Development.

In other action the council called an election for Saturday, Apr. 3. The terms of the mayor and two councilmen expire this year. The election will be held jointly with the Hamlin Independent School District and will be held at the high school building.

Mayor Joe Ford indicated that he would not be a candidate for re-election. Councilman David Casey also indicated that he would not be a candidate for re-election. Councilman Richard Young Jr. was still undecided Monday evening. All three men are completing their second term of office. Mayor

Ford served two terms on the council prior to becoming mayor.

During the business session the council voted to offer the use of the City Park to the Hamlin Little League as a location for constructing a new Little League ball park. If accepted by the League, the playing field would be located on the eastern side of the park, running south from the location of the old miniature golf course.

The council adopted notification forms to put the city's dangerous building ordinance into operation.

Ray Bradshaw, representing the American Tank and Tower Company, appeared before the council offering the services of his firm in making an estimate of the repair needs on the city's north water tower.

Farming Frontiers Film Program Set Wednesday

"Farming Frontiers '76," a film program devoted to the business of farming, will be presented Wednesday, Jan. 28, at the high school cafeteria at 7 p.m. The program will be presented by Carlton Implement Company, the John Deere dealer in this area.

The program includes "Furrow-on-Film" subjects which show the latest developments in farm management. These films provide guidance that could

affect your plans today and in the years to come," said Kenneth Hertel, manager. Also included will be motion pictures showing new John Deere combine platforms, planters, Power-Till seeders, and other farm equipment being introduced in 1976.

Two John Deere Charcoal Kettle Grills and other merchandise prizes will be given away as door prizes, according to Hertel. He also said dinner will be served.

Community Education Program Conducting Survey for Courses

The Steering Committee for Community Education for Hamlin is in the process of conducting a survey to determine the recreational, social and academic needs of the community that could be served by this program, according to Mrs. Warren Sharp, director.

The Hamlin school system has been selected as one of several schools across the state to conduct pilot programs designed to make the public school facilities and resources available to all members of the community.

The Hamlin School system has been offering Adult Basic Education programs to the public for several years, but this new program will not only include this type program but will be much

broader in scope. Almost any course that attracts enough interest can be included in this program, Mrs. Sharp said. "If people want it, and we can find a teacher, we will make it available," she said.

Courses suggested in the survey cover the areas of recreation, hobbies, home economics, basic education, technical education and personal improvement.

Adult Basic Education courses started here again Monday under the direction of Mrs. Mary Brown, supervisor, and advanced typing and bookkeeping courses will be offered here beginning Monday, Feb. 2.

In their meeting here last week the Steering Committee were shown a film by Mrs.

Sharp of Community Education in action and were given an over-view of the concept of the program. The committee members discussed the problems involved, made suggestions for courses and activities, and offered help in putting the program in motion.

A survey form is being published in this issue of the Herald and will also be mailed in church bulletins and be placed in businesses around town, Mrs. Sharp said. "It is hoped that the citizens of Hamlin will complete one of these forms and designate courses that interest them and return the forms within a few days so that results can be tabulated and courses organized," she added.

MR. AND MRS. J. P. WESTMORELAND
... to be honored Sunday

Open House Sunday For Westmorelands

Mr. and Mrs. J. P. Westmoreland will be honored Sunday with Open House from 2:30 to 4:30 p.m. in observance of their 50th wedding anniversary. The event in the couple's home will be hosted by their two sons and a granddaughter and their families. Friends and relatives are invited. The couple requests no gifts, please. The hosts will be Mr. and Mrs. Gene Westmoreland of Abilene and Mr. and Mrs. Teddy Westmoreland of Kermit and Mr. and Mrs. Chip Morgan Jr. of Abilene. Westmoreland was born

July 12, 1905, in Gorman and she was born Aug. 8, 1906, also in Gorman. The couple grew up together in the Grandview Community. They were married Jan. 28, 1926, in the Methodist parsonage at Eastland. They lived in Gorman until 1943 when they moved to Neinda in February of that year. Mr. Westmoreland is engaged in stock farming. They are members of the Methodist Church at McCaulley. They have seven grandchildren. Mrs. Westmoreland was employed by Winn's Store before her retirement. She now enjoys gardening and fishing as hobbies.

Bridge Winners

The Hamlin Duplicate Bridge Club hosted a Special Championship Club game here Tuesday evening at the Jaycee Community Building. Taking first place were Mrs. Don Smith and Bob Preston of Abilene. Second place winners were Helen Virdine and Mrs. Thomas McMillin, both of Abilene. Third place winners were Mrs. G. W. Comegys and Mrs. Dale Lain.

Art Club Makes Plans For Mural

Hamlin Art Club met with Mrs. Jimmy Blanton Jan. 12 at Art Studio and Gallery for a painting session and the regular business meeting with Mrs. Robert Goodgame Jr., president, presiding. Plans were completed for a Bicentennial project, a mural to be painted by members of the art club to be placed some place in the city. Roy Hennington showed some preliminary sketches he had done that will be used on the mural which will be 4 feet by 16 feet. The club will also decorate a table for the annual Board of Community Development banquet Jan. 29. Others attending were Mmes. Albert Hayes, Herbert Lakey, Clifford Eoff, Gilley Beard, Horace Driver and a new member, Mrs. James Smart Jr. of McCaulley.

Friends Class Meets Jan. 13

Mrs. Howard Jones was hostess and Mrs. Bill Shira co-hostess for the Jan. 13 meeting of Friends Sunday School Class of First Baptist Church. Mrs. J. E. McCoy Jr., assistant outreach leader, presided. Mrs. Shira gave the devotional from Tom Mullen's book "Where 2 or 3 are Gathered Together, Someone Spills His Milk" and included thoughts on "taking a look at ourselves and how we measure up." Chocolate cake, cheese balls, crackers, coffee and cold drinks were served. Other members present were Mmes. Lee Ward, John Howard Jr., C. E. Evans, Buford Bigham, Elbert Payne, Herman Sharer, Marvin Carlton, and Albert Haight, class teacher. Mrs. S. C. Ferguson Jr. will be the hostess for the Feb. 10 meeting. Mrs. Ward gave the closing prayer.

Bicentennial Cherry Buns

Fresh baked buns can create a feeling of warmth and hospitality for family and guests alike. This versatile recipe for Cherry Buns serves all occasions—breakfast, lunch or dinner—plus hailing our first President, George Washington, and the delightful red tart cherry. Brighten your kitchen reputation with these Bicentennial Cherry Buns... made from unbleached flour for better flavor and texture.

1 No. 303 can red tart cherries	1 package active dry yeast
1/2 cup sugar	1/4 cup warm water
2 tablespoons unbleached flour	1 cup milk, scalded
1 tablespoon butter	1/2 cup shortening
Few drops red food coloring	1/2 cup sugar
	1 teaspoon salt
	1 egg
	4 to 4 1/2 cups sifted unbleached flour

Drain cherries thoroughly. Combine sugar and flour. Add cherries and cook until thick. Add butter and food coloring. Cool and reserve.

Soften yeast in warm water. Add hot milk to shortening, sugar and salt. Stir until shortening is melted; cool to lukewarm. Stir in 1 1/2 cups of the flour. Add softened yeast and egg; beat well. Stir in remaining flour or enough to make a soft dough. Cover and let rest 10 minutes. Knead on lightly floured surface until smooth, about 5 minutes. Place in a greased bowl; cover and let rise in a warm place until double in bulk, about 1 to 1 1/2 hours. Punch down; cover and let rest 10 minutes. Roll dough to slightly less than 1/2-inch thick. Cut with a 2 1/2-inch cutter. Place 2-inches apart on a lightly greased baking sheet. Cover and let rise until light, about 45 minutes. With fingers, press down center of buns; spoon in cherry filling. Bake at 375° about 15 minutes or until done. Makes about 1 1/2 dozen.

Ponder and Mrs. Ruth Crance of Lubbock were weekend guests in the home of Mr. and Mrs. Fred Kemp and Mr. and Mrs. Frank Kemp. They were here to visit Mrs. Beatrice Kemp who is in Hamlin Hospital suffering a broken pelvis. Harvey Dixon, son of Mr. and Mrs. Jim Dixon, is in San Angelo hospital after an accident while working for an oil drilling company. He has a broken forearm and other injuries. He may have to have surgery several times before his arm is back to normal use.

Mrs. Levi McCollum has returned home after spending a few days in Abilene with Rev. and Mrs. Jim Pickens and family. Mr. and Mrs. Truett Jeffrey were honored to have as guests Mr. and Mrs. Tommy Jeffrey from Wichita Falls this weekend. Basketball games this week will be with O'Brien Monday night at McCaulley and the teams will travel to Old Glory Friday night.

Visitors in the home of Mr. and Mrs. Monroe Tabb Sunday were Mr. and Mrs. Marvin Pearce and Twyla of Abilene, Hozie Rumfield, Mrs. Elmer Coomer and Rance Coomer all of Midland, Mrs. Jane Boyd, Mr. and Mrs. Jim Goza and Jake Farmer, all of Sweetwater, Mrs. Sanders and daughter of Knox City, and Mr. and Mrs. Cecil Brown, Mrs. V. Stock shows are moving right along and the weather has been great until today. I knew that blizzard would get here in time for the show at Abilene—hasn't failed yet. Mrs. John Frank Maberry celebrated her 81st birthday last week. She was the guest of honor at a dinner given by Mr. and Mrs. Albert Maberry with whom she makes her

home. Others attending were the A. A. Smiths and Mrs. Lon Andress of Hamlin.

McCaulley Basketball Boys did well last week. Tuesday high school boys and girls played Lueders-Avoca—the boys won and the girls lost. The game was at McCaulley. Friday night the teams travelled to Weinert. Again the boys won and the girls were defeated. However the Six County Livestock Show was in progress and Fonda and Sheila Jeffrey were showing calves at Sweetwater.

We especially enjoyed the junior high game Thursday night when Paint Creek and McCaulley played here. The girls lost by one point. Paint Creek boys only had seven players while McCaulley had about fifteen players suited out. Everyone got to play even the fifth grade boys. They all did a very fine job. High School boys and girls watching just can't believe some of the plays these little ones come up with.

Madalyn Murray O'Hair is at it again! Now she has obtained 27,000 signed letters protesting the decision of the astronauts to read the Bible as a Christmas message to the world from their space craft while orbiting the moon in December 1968. She plans to present these letters to NASA with the demand that the astronauts be publicly censured for their act and a demand also to prohibit any further demonstration of religion by public leaders. If this goes through, it could stop the mention of God and prayer on T.V.

There will be a Federal Hearing in Washington to try to ban any religious broadcasting on radio and television. This covers all Sunday worship services that are broadcast over radio and television. Many sick, elderly, and shut-in people depend on radio and T.V. to fulfill their worship needs. Mrs. O'Hair will succeed if Christians do nothing. Here is what you can do: Sign, detach and mail the form below or a similar form or letter stating your feelings. Please ask your friends to do the same. Time is important; attend to this immediately.

the gospel truth

by Bro. Marshall Townsley

This week let's look at Matt. 6:24, "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon."

Jesus is calling for a committed people today just as he did in these words many years ago. He says it is utterly impossible to serve two masters. Let's see why.

When a person is committed in the true sense of the word, he becomes one in purpose with the person or thing to which he is committed, 24 hours a day for the rest of his life. He actually gives up his life and takes on himself the desires and goals of his partner, even though it may bring ridicule, mockery, or death.

This type of man will be a success and an asset to the name of his company and fellow representatives. On the other hand, a man who is double in purpose will be either a poor imitation or a total failure at his multiple attempts.

The Word says in I John 3:8, "... For this purpose the Son of God was manifested, that he might destroy the works of the devil." This is His purpose and the calling of the saints. Before Jesus ascended he commissioned us to represent him and his kingdom in the earth. "Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be

damned." BUT THAT'S NOT ALL! "And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover," Mark 16:15-18. These last two verses seem to have been lost from the pulpits, but Jesus spoke them also! His Word shall never pass away. Matt. 5:18.

It's no wonder that the "churches" are so worldly, and the world is so churchy. From the pulpit comes the six o'clock news, instead of the Word on how to overcome sin, sickness, disease and poverty by faith. The use of bubble gum parties and raffle tickets have been used to replace the miracles as crowd gatherers. These substitutions all come wrapped in the subtle package called progress. There is no commitment. You cannot serve God and His Word and the man-made doctrines and programs of associations. These things ought not be so!

"I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing; therefore choose life, that both thou and thy seed may live." Deut. 30:19. "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." Matt. 7:21. WHAT ARE YOU DOING?

chairman of the annual Christmas Seal campaign for the second year, the talented songstress is both sensitive to, and out-spoken about, second-hand smoke.

She speaks from experience. After she lost her voice, and endangered her health and career, from years of singing in smoke-filled rooms, Vikki Carr mounted a one-woman campaign to persuade audiences not to smoke during her performances. "It will be good for my life, and for yours," she says. Audiences approve, and cooperate. Club and theatre owners are astonished. Not so Vikki Carr. She knows the majority of Americans are non-smokers, and she believes, firmly, both in the rights of the majority and in protecting the health of those with lung diseases.

"Doctors tell me I'm allergic to tobacco smoke," Miss Carr says. "But allergy or no, there's no question that second-hand smoke endangers those with chronic lung diseases, and that it bothers most non-smokers. "What I can do onstage, anyone else can do wherever he or she happens to be," adds the petite singer. "All you have to do is speak up." The Christmas Seal people, the American Lung Association, offer these suggestions for non-smokers who wish to follow Miss Carr's advice:

—Let family, friends, co-workers and strangers know you mind if they smoke.

—Ask your local lung association for stickers and signs to use in your home, car and office, and for buttons to wear.

—Always request seating in nonsmoking sections when you travel.

—Support legislation to restrict smoking or set up smoke-free areas in public places.

—Encourage your doctor and dentist to restrict smoking in their waiting

rooms, and to establish no-smoking regulations in clinics and hospitals.

—Propose no-smoking resolutions at meetings you attend.

—Encourage hotels and restaurants to establish no-smoking areas.

To this list, Vikki Carr adds one more suggestion she says it may be the most important of all.

—Answer your Christmas Seal letter promptly and generously.

"The lung association is the major voluntary health agency committed to protecting the rights of non-smokers," Miss Carr says. "But Christmas Seals do so much more. They support vital public health education, medical research and other activities to benefit vital public health education, medical research and other activities to benefit those with cigarette-linked diseases such as emphysema and bronchitis. They fight asthma, TB and air pollution. As the Christmas Seal people keep saying, it's a matter of life and breath."

Baptist Night Group Meets

The night group of First Baptist Women met Monday, Jan. 12, in the church parlor.

Mrs. LaFoy Patterson, president, presided. The Call to Prayer was given by Mrs. Bill Shira.

Mrs. Melvin Scott, program chairman, presented "Mission to the Military."

Attending were Mmes. Andy Brown, Howard Jones, Albert Haight and Herman Sharer.

Mrs. Jones will be hostess for the Feb. 9 meeting.

The closing prayer was given by Mrs. Patterson.

FROM THE FILES . . .

FIFTY YEARS AGO (Jan. 15, 1926)

When Miss Mabel Jackson went to her garage Wednesday morning to drive her car to town she found everything as usual but the car. No car. It had taken the road to parts unknown. This is fair warning to all others. Keep your cars locked and guarded. No clue so far.

On Thursday evening, December the thirty-first, a pleasant party was enjoyed at the hospitable home of Mr. and Mrs. C. G. Green when the members of the Merry Marton's Club entertained in compliment to their husbands.

An Artistic arrangement of palms, ferns and poinsettias converted the entertaining rooms into a veritable garden where four tables of progressive forty-two held the interest of the guests. During the evening delightful music was heard over the radio which added to the pleasure of the occasion.

This is no fairy story, but instead a real thrilling account of a meek and lowly minister of the Hamlin Nazarene Church, the Rev. W. H. Phillips, who killed a big black bear in the Davis Mountains, about ten days ago. Yes siree, Rev. Phillips is a real hunter and a man of determination and possesses a keen eye and is a great marksman.

The question now engrossing a few minds of Hamlin and surrounding country, is whether or not this section will become an oil field. There is a chance. It is a conceded fact that oil structures exist in this part of West Texas and who knows but that it is right under the spot where the Star rig is being set, on the George Bristow farm, south of Boyd Chapel. The information at hand is that a large block of land in that section has been pooled for a test. This is under trustees, Henry Evans, Judge Crow and J. W. Ezell. It is the guess of everyone that if there is any oil in Jones county it is in the country south of Hamlin and north of the Clear Fork of the Brazos. Who knows but that this very test will develop one of the biggest fields in all Texas.

Starring Saturday night at the Opera House will be William S. Hart in TUM-BLEWEEDS. This is an epic, not a cowboy picture. Monday and Tuesday will feature A KISS IN THE DARK starring Adolphe Menjou and Lillian Rich, a rip-roaring comedy. Admission—10 cents and 25 cents.

TWENTY YEARS AGO (Jan. 20, 1956)

Second conference game of the Hamlin High School Pied Pipers proved to be a rout by the Stamford Bulldogs at Hamlin Tuesday night as the locals went down to a 69 to 36 score.

Stamford's high pointer was Dallas Christian, who sunk 14 field goals and four fouls to hit 32 points. Don Adair was high man for Hamlin with 15, and Lane Fletcher bucketed 10 points.

Members of the Camp Fire Girls will conduct a "Shell Out for Polio" Saturday on the streets of downtown. They will sell peanuts, with funds going to the polio campaign. Girls under the leadership of Mrs. E. J. Hawkins will be Doty Albritton, Lou Ann Hawkins, Mary Ann Hymer, Sandra Jayroe, Gloria Jenkins, Mary Margaret Mayberry, Betty Jane Robertson, Mary Debs Rountree, Sunny Teague and Lagena Weaver. Girls under the leadership of Mrs. R. L. McClung will be Velta Hastings, Pat Green, Charlene Berry, Georgia Ann Black and Thelma McClung.

Purchase by the City of Hamlin of the former building of the Farmers & Merchants National Bank, at the corner of South Central Avenue and Fourth Streets was authorized by the City Council when it met in regular monthly business session Tuesday night at the city hall.

The city plans to utilize the old bank vault for its records, and some of the "cages" for its city offices. A police room and jail facilities will be installed in the rear of the building. Offices for the city coordinator and a City Council room will probably be arranged on the second floor.

Moore teeth are to be applied to the enforcement program for violators of traffic regulations in Hamlin, it was announced this week following the Tuesday night session of the City Council.

City Traffic Police T. W. (Mickey) McGuire reported that 116 persons who had been issued traffic violation tickets in 1955, and who had been sent first and second notices calling attention to their failure to pay fines, will be the first to feel the teeth in the campaign.

TEN YEARS AGO (Jan. 20, 1966)

T. C. Blankinship and Milburn Wink general superintendents of the Jones County Livestock, have announced the workers for this year's show to be held this weekend.

Marvin Carlton will be show secretary with Jimmy Hawkins and Randy Smith as assistants.

Elbert Payne will be beef and dairy cattle superintendent, assisted by Jackie Buske, Robert Moore, Mike Smith, and Jack Buske, Tuxedo farmer.

Cynthia Stephens, Hamlin Chapter FFA Sweetheart, will assist in presenting ribbons and trophies.

Safe driving awards were presented this week to Harold Bonner and W. L. Hunter Jr. mail carriers of the local post office.

Bonner was recognized for 23 years of driving without accident and Hunter has marked 15 years of safe driving.

The Pipers forced Anson into three overtime periods Tuesday night before losing 42-38.

and usually catch a nap before the hour is up.

"It's a community of togetherness no matter what the project for pitching in. Sorrows as well as joys are shared together, and weddings, baby showers and funerals all draw big.

"Some people have more than others, but most somehow have enough. There are few stranger because warm words and smiles are given free to everyone.

The churches are crowded on Sunday mornings and the school buildings are filled with pride as well as kids.

"The streets are safe for walking, or for riding even in the middle of the night.

"It is quiet mostly, knowing too and stands somehow rooted to its past. Even when you've been away a long time it seems the same when you come back.

"The biggest thing in town is the high school football team, that is, when it is winning.

"Good news and bad news both travel fast, as if on the wind. Lives are as open as the houses that line the streets.

"No name dogs run loose, the air is clean and there is time to sit in the yard or visit around the block. The kids circle all night in cars every night in the deserted business district. The restlessness of their youth has been put to wheels.

"Few are lonely here because everybody is too busy for that. There is too much always going on.

"People in a small town are mostly folks who live by the code, which is to do your share.

"Of course there always are few rotten apples in any barrel. But in a good small barrel, they don't show much.

"The only trouble with a small town is that is it populated mainly just by people either growing up or growing old. The people in between are all crowded into the cities.

"We guess you could say that is our nation's problem really."

Maybe more programs like this community education program will help make small towns more attractive for those people in between.

WORD POWER!

One of our popular publications, encourages the learning of new words, and in each edition prints a few words that we can add to our vocabulary.

Words have swayed thousands, even changed the course of history. It is through the use of words that men are saved.

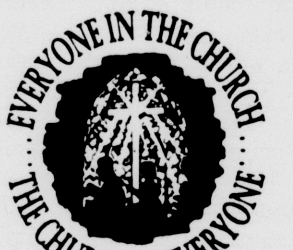

"For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe."... "Because the foolishness of God is wiser than men."

ATTEND CHURCH... HEAR GOD'S WORD

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The first organized number sense and slide rule teams begin intraschool competition when they travel to Lubbock Saturday for a practice meet at Monterey High School. Several other schools will be there for this one-day meet.

Working mathematical problems mentally without the aid of pencil and paper is the primary purpose of number sense. The number sense team, coached by Mr. Jerry Bodine, has as its members Edwin Wheat, Roger Gonzales, Terry Mink, Kyle Jackson, Mike Hymer and Jeff Cary.

The slide rule team works complicated problems with the use of a slide rule. Paul Reynolds, Vance Lakey, Guy Turner, Joe Smith and Carl Shearer are its members, coached by Mr. Bruce Wilson.

In addition to slide rule and number sense, Reynolds, Turner and Gonzales will enter the mathematics and science divisions.

The next invitational meet will be at Quanah, Jan. 31, with both teams participating.

hhs

Based upon enrollment, Hamlin High School can enter four typing students in the University Interscholastic League contest this spring. The winner will be determined by a score based upon the net words per minute and the percent of accuracy on the five-minute paragraph of material.

hhs

Jan Ford, Tracy Gregory, Terry Mink and Edwin Wheat, under the leadership of Mrs. Juanita Jayroe, have begun preparations for the U. I. L. spelling contest.

District, regional and state contests are based on precise spelling and distinct handwriting.

hhs

Both the Piper boys' and girls' varsities and junior varsities completed the first half of District 6-AA competition Tuesday evening in Colorado City.

Hamlin's roundball squads open the second half Friday as the boys' varsity and junior varsity and girls' varsity host the Stamford Bulldogs in Hamlin Gym, beginning at 5 p.m.

hhs

The junior varsity boys' and girls' basketball teams will compete in the Aspermont Tournament beginning today (Thursday) and continuing through Saturday in the Aspermont Gym.

hhs

Both Hamlin eighth grade basketball squads were victorious in Stamford Monday evening as the boys doubled the Bulldogs 46-23 and the girls erased their Stamford counterparts 51-12.

Donna Bell, playing but half of the contest, led the fens with 21, while Odie Willis pumped in 23 and Todd Marshall 10 to pace the boys.

The eighth grade boys and girls host the Anson Tigers next Monday evening beginning at 5:30 in Hamlin Gym for their next contest.

hhs

Mrs. Frank Codington, Hamlin Schools counselor, spoke to the Hamlin Chapter of FHA Monday evening in the high school clothing lab

Rep. Elmer Martin

To Seek Re-election

Rep. Elmer Martin of Colorado City has formally announced his plans to seek reelection as State Representative for Legislative District 61.

District 61 includes Fisher, Jones, Mitchell, Nolan and parts of Taylor Counties.

During the 64th Legislature, Martin was appointed to the House Agriculture and Livestock Committee, where he sponsored and supported several pieces of legislation in the field of agriculture and livestock. He also served as Vice-Chairman of the House Environmental Affairs Committee and as a member of the Pollution Sub-Committee.

Martin was named by House Environmental Affairs during the regular monthly meeting.

Mrs. Codington's subject was the qualities of a good FHA chapter officer—character, leadership, cooperation and dependability.

The chapter also elected new officers for the 1976-77 year. They are Jan Ford, president; DeDe Young, vice president; Elise Kelley, second vice president; Pam Absher, third vice president; Debbie Hargrove, fourth vice president; Julie Jeffrey, fifth vice president; Lisa Howard, secretary-treasurer; Donna Pyron, historian; Stephanie Hymer, parliamentarian; Leeia Phariss, sergeant-at-arms; and Sheri Mink, pianist.

Chapter mother is Mrs. Joe E. Ford and chapter advisor is Mrs. Joe Wayne Carter.

Plans were made for the FHA banquet to be held Feb. 9.

Chairman Bill Sullivan and Speaker of the House Bill Clayton to the three-member special interim sub-committee on appropriate matters to study the programs of the Texas Parks and Wildlife Department, the Texas Water Quality Board and the Texas Air Control Board. This sub-committee will be responsible for continuing the overview of agency programs for which monies were appropriated for the biennium beginning September 1, 1975.

During the 64th Legislature, Martin worked to secure eight changes in the Public Education Bill to provide equalization for the smaller and medium-sized schools.

Rep. Martin also played a key role in securing the appropriation of \$98,000 for the reparation of eight buildings on Sweetwater's Rolling Plains Campus of Texas State Technical Institute.

Martin is a native of Mitchell County, where he served 12 years as County Judge before being elected to the State Legislature. Martin and his wife, Billie, reside in Colorado City where he is engaged in agriculture and livestock farming.

Dinner Saturday

Mission No. 2 of Oak Grove Baptist Church will sponsor a Taco dinner Saturday, Jan. 24, beginning at 5:30 p.m. Price per plate will be \$2.25.

The menu will include tacos, spanish rice, beans, tossed salad, assorted pies, crackers, tea and coffee.

The public is invited to attend.

REDDY'S REFRIGERATOR SAVINGS TIPS

☆ Don't open refrigerator door unnecessarily. Plan your trips to the refrigerator while cooking. Make sure the children maintain a closed-door policy.

☆ Buy the size that fits your needs. An over-large refrigerator or freezer wastes space as well as electricity.

☆ Clean external coils, fins and motor often and keep them free from dust.

☆ Defrost your refrigerator and freezer before ice deposit exceeds 1/4 inch. Excess ice causes your refrigerator to work harder.

Neinda Philosopher Comes Up With A Wild Scheme To Put A Stop To All These Crises

Editor's Note: The Neinda Philosopher on his Johnson farm on Route One seems to be back in standard form, his letter this week indicates.

Dear Editor:
As some of you may know, I was suddenly carted off to the hospital a few weeks ago, but I can now report that I'm back in fairly good working order.

Thought I'd tell you about a dream I had. I dreamed that for some strange reason the three TV and radio network editors and the leading newspaper and wire service editors all gathered at my Johnson grass farm out here one day. There was Walter Cronkite, John Chancellor, David Brinkley, James Reston, and too many others to mention. "Look," the president of CBS said. "We're getting tired of having to chase all over the world with our cameras and reporters every time a world crisis breaks out in some country we never heard of before."

"That's right," John Chancellor chimed in. "I've been in the news business all my life and it was only a month ago I heard of Angola. Took two secretaries half the morning to find it on the map."

"Yeah," Walter Cronkite

put in. "Beirut, Zaire, Zanzibar, Belfast—every one of them has been in a world crisis at one time or another. Everybody gets excited, world leaders confer and wring their hands, we report it all, then the crisis fades away and we get set for another one. It's getting monotonous. There ought to be some way to stop it."

This dream is pretty wild because at that point I spoke up.

Area Baptists Set Evangelism Meeting Monday

"Let Christ's Freedom Ring" is the theme of the Evangelism Conference sponsored by Southern Baptist Churches in the Double Mountain Area. The conference will be held at First Baptist Church, Haskell Monday, with the afternoon session beginning at 2 and the evening at 7.

Dr. James T. Draper Jr., pastor of First Baptist Church, Euless will be the principal speaker at both sessions.

Other speakers for the conference include: Howard Jones, Pastor of First Baptist Church, Hamlin; Allan Cartrite, Pasttor of First Baptist Church, Roby; Mr. and Mrs. J. C. Yearly, Haskell and Larry Pittman, Stamford.

Music will be under the direction of Ted Burgess, Minister of Music at First Baptist Church, Haskell. Special music will be by the Revelations, a men's quartet from Amarillo; Lynn Mink, Minister of Music of First Baptist Church, Hamlin; Mark Cook, Minister of Music of Trinity Baptist Church, Stamford; Cross Roads Quartet; Goree Quartet and Fred Bennett of Stamford.

Choir for the evening session will be composed of singers from all participating churches in the area, and rehearsal will be at 6:15 p.m.

"I've got an idea," I said. "Let's teach the world a little lesson. Let's make up a mythical country, manufacture a crisis there, put it on TV and radio and in the newspaper, and then sit back and see how the world leaders perform."

"Great idea," David Brinkley said. "What are we going to call this country?" "I've got the perfect name," I said. "Let's call it Hypodermia."

"Great," James Reston of the New York Times said.

They all agreed and that evening the news was filled with the new world crisis developing in far-off Hypodermia. "Internal strife is boiling over in the towns and throughout the countryside," the reports went. "Two Soviet ships loaded with supplies have been sighted off the east coast of Hypodermia."

Lights burned late at the U.S. State Department that night and by next morning Washington was seething with excitement.

"Where is Hypodermia?" one State Department expert asked.

"What difference does that make?" another put in. "Let's get our aid on the way and we'll find out later where it is."

"Should we tell Congress about this?" another asks.

"No," another answers. "You tell Congress and it won't be 24 hours before the whole country knows."

Unfortunately, a nurse came by to give me a pill before I finished this dream, but you've got to admit it has some side-splitting possibilities, especially when you think of all those cargo planes loaded with U.S. aid circling the globe trying to locate Hypodermia so they can land and protect our interests.

Yours faithfully,
J.A.

Tommy Johnson Has Surgery

Tommy Johnson, Cisco Junior College sophomore, is a patient in Gaston Episcopal Hospital in Dallas where he had back surgery Wednesday, Jan. 14.

He will be completely confined to his bed for three weeks before a brace is applied. Hospitalization is expected to be from 20 to 30 days. His parents, Mr. and Mrs. John Johnson have been with him.

His mailing address is Room 216 Gaston Episcopal Hospital, 3505 Gaston, Dallas, Tx. 75246.

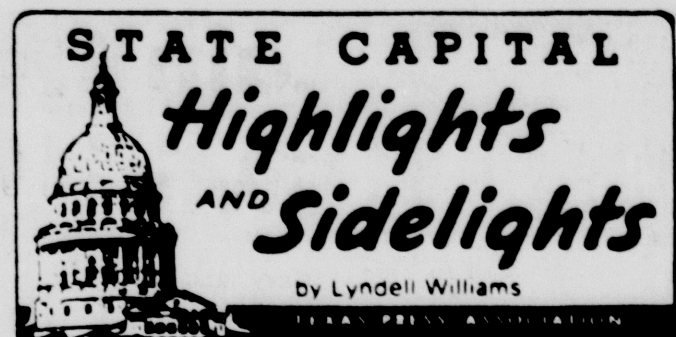

Chili: Deep In The Heart Of Texas

American humorist H. Allen Smith once observed: "Every man who cooks chili believes with all his heart that his chili is infinitely superior to all other chilies on earth."

The origins of chili are somewhat obscure. Depending on which side of Texas/Mexico border your loyalties lie, national pride may force you to claim credit for this food item that one "chili-head" describes as, "protecting against colds and malaria... aiding indigestion... clarifying the blood... developing robustness and resistance to the elements... and acting as a stimulant to the romantically inclined."

Certainly Texas is the chili capital of the U.S., boasting the nation's highest per capita consumption. But whether the "Bowl of Red" has its beginnings here or south of the border, Texas history is chock-full of chili. According to Texas lore, back in the 1890's one West Texas jail made chili so good and with so much beef a man once broke into jail to get some. The earlier quoted Mr. Smith, who also is self-proclaimed "world champion chili cooker," once asserted tongue-in-cheek that chili first saw the light of day in San Antonio, thanks to Canary Islanders who were recruited from the Old World in the 18th century by the King of Spain to discourage French interlopers into the new south-west.

In his now classic *The Great Chili Confrontation* (Trident Press), Smith relates the story of his monumental chili cook-off a few years ago with a member of the Chili Appreciation Society International in the Texas ghost

AUSTIN — School superintendents and board presidents have been invited to a statewide hearing here, January 26, on Atty. Gen. John Hill's recent opinion outlawing many student fees.

The State Board of Education has upheld Texas Education Commissioner M.L. Brockette's order for local districts to stop collection of the fees immediately.

Brockette on October 10 instructed districts to abide by Hill's October 1 opinion. The Hill ruling applied to such fees as those charged for workbooks, driver education and uniform rental for band members.

If it stands, the opinion will require local districts to dig up \$22 million more this school year to replace the lost fees, according to a Texas Education Agency study.

State Board of Education Chairman Joe Kelly Butler named a special committee headed by E.R. Gregg of Jacksonville to study the issue.

Butler said he hopes the panel will have an interim report in time for the board's February 14 meeting.

Allowable Set

Texas Railroad Commission set the February oil allowable—for the 47th straight month—at 100 per cent. There was one exception—the East Texas field, held to 86 per cent.

Meanwhile, oilmen expressed concern the federal government may be man-

euvering to take over the oil industry. They said they will outline views on proposed Federal Energy Administration rules at a meeting of the Commission next month.

February nominations by buyers totalled more than 3.9 million barrels a day, 18,123 down from January.

Economy Studied

A new Joint Advisory Committee on Government Operations will study governmental reorganization and try to come up with ideas to curtail creation of new agencies.

One proposal is to require that all legislation proposing new agencies be accompanied with an authoritative note spelling out the function and program to be performed.

Committee spokesmen also commented on lack of state control over soaring higher education expenditures.

FFA Chapter Now Taking Fruit Orders

Members of the Hamlin Future Farmers of America Chapter are now taking orders for citrus fruit for March delivery. Orders must be places by Feb. 16 for delivery between Mar. 1 and 5.

Oranges, grapefruit or a mixture of the two may be ordered from any FFA member or either chapter advisor, Milburn Wink or Gary Finley. The fruit is \$3.50 for 20 pounds or \$6.50 for 40 pounds.

NEWS FROM

OLD GLORY

By BERNICE D. WHITE

Monday morning made a cold blustery entry after the weekend had given a very welcome preview of spring weather. A good rain would also be welcome though farmers report there is still moisture in the fields.

The Old Glory Variety Club met last Tuesday in the home of Mrs. Vera Beil. Twelve members were present along with one visitor, Mrs. Roy Herttenberger of Aspermont.

After the business meeting, the ladies enjoyed games of Eighty-four.

The next meeting will be in the home of Mrs. Allen Davis

Tuesday, Jan. 27.

Visitors last Friday evening and Friday night in the home of Mr. and Mrs. Beno Herttenberger were two of their grandsons Jerry and Jeff Simmons of Fort Worth along with Kathy Webber of Cuero and Mallorie Caughey of San Antonio, all students at Texas Tech in Lubbock.

Saturday visitors in the Herttenberger home included another grandson, Jack Simmons along with Lori Harbison, both are students at Abilene Christian College in Abilene.

On Sunday, dinner guests in the Herttenberger home were the Church of Christ minister, Jerry Morrison and his two children Eric and Joyce, also Ed Foster. All are from A C C in Abilene.

Mr. and Mrs. Jack Doty of Garden City, Kans., spent a few days her last week visiting with Mrs. Doty's sister and husband, Mr. and Mrs. Garrett Spitzer.

Other dinner guests in the Spitzer home Thursday evening were their son and wife, Mr. and Mrs. Kenney Spitzer and two of their sons, Ty and Todd, all of Stamford, and Bernice White.

Visitors this week in the home of Mrs. Katie Gerloff have included her son and wife, Mr. and Mrs. Cecil Ray Gerloff of Belen, N. M. They came to be with Mrs. Cecil Ray Gerloff's father, Jordon Hart of Aspermont, who is ill.

Mrs. Adeline Letz is expected home this week after spending two weeks in Morenci, Ariz., with her daughter and husband, Mr. and Mrs. O. D. Vanderworth. Mrs. Letz returned home with them when they were here over the New Year's holidays visiting with her. She was met in El Paso last Saturday by another daughter and husband, Mr. and Mrs. Jerry Callicoate of Midland, and after spending a few days with them will be coming home.

Mr. and Mrs. Morris Garner and Mrs. Willie Fletcher spent the weekend in Abilene visiting with the Garners' son and family, Mr. and Mrs. Loy Garner, Jana and Julie.

Advanced Typing, Bookkeeping To Be Offered Here

Advanced typing and basic bookkeeping courses will be offered as part of the Adult Basic Education program sponsored by the Texas State Technical Institute of Sweetwater.

An organizational meeting will be held here at the high school at 7 p.m. Monday, Feb. 2. The course or courses will be held if as many as 12 adults sign up. Under the TSI Adult Basic Education program the courses are free and will be taught by Miss Dora Mitchell.

The beginning typing course currently being taught by Miss Mitchell under the program will end Monday. Mrs. Edna N. Bailey, Mrs. Donna Bessire and Mrs. Dora M. Hollis will receive certificates for successfully achieving the skills required.

DePriest Students Plan Homecoming

Former students and teachers of Oscar DePriest School are making plans for a Homecoming. Letters are being prepared for mailing by a special committee.

Officers elected at a recent meeting are Mrs. Belton (Vera) Hooper, president; Ollie Ray Sneed of Dallas, vice president; Mrs. Willie (Nona Pearl) Hunter and Mrs. John (Burnette) Chase, secretaries.

Faith Seminar

A Faith Seminar sponsored by the Church at Sylvester will be held Thursday through Saturday at 7:30 each evening and on Sunday at 2:30 p.m. in the Hamlin Jaycee Building.

Rev. Andy Wommack of Arlington and Rev. Marshall Townsley, Sylvester church pastor, will be directing the seminar.

Don Butler, Austin city attorney, will be the Texas Municipal League's new utility counsel.

A House sub-committee will conduct hearings on public employee collective bargaining effects.

Attention: Mr. Farmer

You are cordially invited to John Deere Farming Frontiers '76. It is the year's most outstanding farm-oriented film program. The movies were filmed on locations in many areas of the U.S. and Canada. Drawings will be held for door prizes; you could be a winner.
